SB700

Intensity... not a problem

The SOLE SB700 indoor exercise bike takes users to the next level of exercising. It is ideal for both the serious outdoor cyclist and the everyday spin class user. Vertically and horizontally adjustment seat along with heavy duty 48lbs chrome plated flywheel and Kevlar breaking design allow users to experience an extremely smooth ride. The integrated console displays RPM, time, Kcal, distance and speed and is also compatible with a wireless heart rate chest strap, ensuring users get their optimal results.
