Best folding treadmill on the planet

The F85 treadmill is reviewed by the treadmill doctor as the "The Best Folding Treadmill". The top model in SOLE's folding series and is SOLE's number one seller. With its exceptional 22" wide running surface, a powerful 4HP motor that reaches a speed of up to 12mph and a maximum incline of 15%, it allows you to choose the intensity of your workout. The heart rate control option automatically calculates your recommended target range based on your age so you can be assured of the most efficient and safest workout possible.
